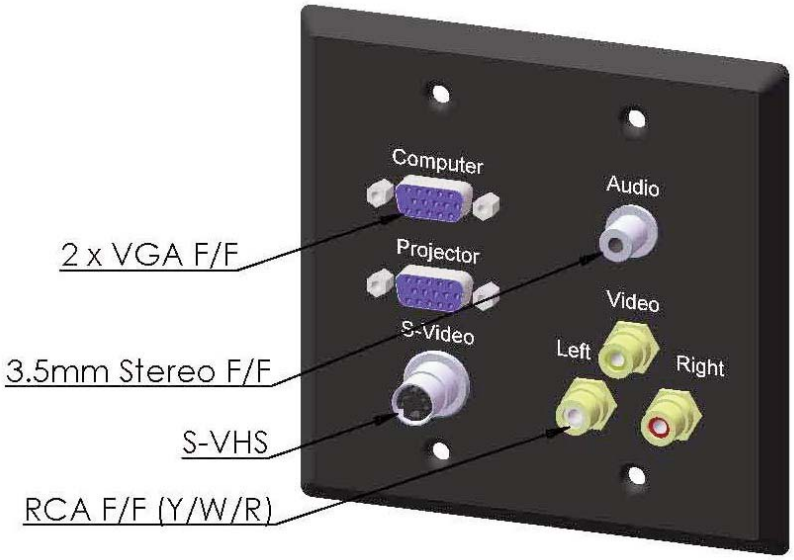
BRETFORD BASICS™
ACCESSORIES/DATA PASS THROUGH

TCDPT
DATA PASS THROUGH PLATE



FEATURES

- Allows for easy access to projectors, DVD players, and other electronics by providing a single plate to plug into with a laptop. No more digging around behind components to find plugs.
- Pass through jacks use standard cables to plug into both sides of the plate so no wiring is required.
- Includes two VGA/HD-15 plugs for a projector or document camera, 3.5mm stereo jack, S Video, and three RCA adapters, yellow video and red/white audio.
- Mounts to a standard dual-gang plate cut out using screws and hex nuts.
- Durable stainless steel plate finished in black.
- All materials are RoHS compliant and the TCDPT is certified to GREENGUARD Children & Schools Indoor Air Quality standards.
